“ My deepest condolences to the Moak family. It hurts deeply when we lose someone so close. Find comfort in the loving memories you have of Frances, as well as in the wonderful hope of seeing her again soon, as promised at John 6:40. Peace to the family.

“ What a precious lady! I was honored to serve as her pastor for almost 15 years. I enjoyed the visits with her and Bro. Jake over the years. The kids and I always enjoyed the stories of yester-year over a cup of coffee or a coke and cookies. The kids would always leave with a box of animal crackers, a memory I know we will cherish for years to come. They were so considerate and generous to us, far more than anything we deserved.

Through all the ups and downs of life, her strong and very evident faith in God was a refreshing blessing in the midst of a world of chaos. I know she will be missed by many, but I am looking forward to that "Glad Reunion Day"!

Love and miss you,

Bro. Jr. Strickland and Family
